Education

Kalyani Government Engineering College Bachelor of Technology in Computer Science and Engineering CGPA - 7.4	Sept, 2022 - Aug, 2025
Raja Ranjit Kishore Government Polytechnic Diploma in Computer Science and Technology OGPA - 8.5	July, 2020 - Aug, 2022
Shyampur High School Higher Secondary Education (HS) Percentage - 97.2	April, 2018 - May, 2020

Work Experience

Techoctanet Services Pvt Ltd <i>Web Developer</i>	1st August 2024 - present
---	---------------------------

- I'm currently undertaking a 2-month web development internship at Techoctanet Services Pvt Ltd. This opportunity allows me to apply my MERN stack skills, work on real projects, and learn from experienced professionals. It's a valuable experience for enhancing my technical abilities and gaining practical knowledge in web development.
- Certificate: [View Certificate](#)

Euphoria Genx Kolkata <i>MERN Stack Development</i>	14 Jun, 2023 - 18 Sept 2023
---	-----------------------------

- Completed industrial training and internship at Euphoria Genx, specializing in MERN stack development. Gained hands-on experience in building full-stack web applications using MongoDB, Express.js, React.js, and Node.js. Developed proficiency in JavaScript programming and utilized modern development tools and methodologies. Excited to apply learned skills in real-world projects.
- Certificate: [View Certificate](#)

Projects

Doc-Appointment-system	Ongoing
-------------------------------	---------

Medicare Appointment Booking web application	<i>React, Tailwind CSS, Vite, Node.js, Express.js, and MongoDB</i>
---	--

- Implemented user authentication with login and signup functionalities to ensure secure access.
- Designed and maintained a MongoDB database schema to effectively store and manage user, appointment, and doctor data.

My Portfolio App	June, 2024 - July, 2024
-------------------------	-------------------------

Mern Stack portfolio web application	<i>JS, Bootstrap, React, Node.js, Express.js, and MongoDB</i>
---	---

- Ensured the site is fully responsive and mobile-friendly, providing an optimal viewing experience across all devices.
- Implemented a feature that allows visitors to click a button and open a direct WhatsApp chat for instant communication.
- Integrated smooth and interactive animations to enhance user experience.
- Set up an email verification system and an automatic messaging service to streamline communication and ensure reliability.

Skills

Languages: C++, Java, JavaScript, HTML / CSS	Frameworks: ReactJs, NodeJs, ExpressJs, Bootstrap.
Databases: SQL, MongoDB	Developer Tools: VS Code, Git, GitHub, etc..

Course Work

- Data Structures and Algorithms
- Object-Oriented Programming System
- Database Management System
- Computer Network

Problem Solving Tools

- GeeksforGeeks (GFG) : [GFG/KrishanuSantra](#)
- Leet Code : [LeetCode/KrishanuSantra](#)

Language : Bengali, English, Hindi.
